Attention: Mr. Denton Williams, Chief Executive

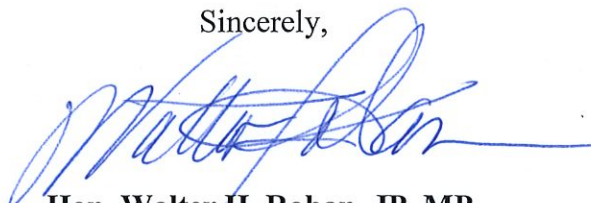

Dear Mr. Williams,

Re: Request for extension of time to commence regulatory review of electronic communications sector under sections 5(6) and 10 of the Regulatory Authority Act 2011

Having carefully considered the request in your letter dated 3rd November, 2021, and in exercise of my responsibilities under section 5(6)a of the Regulatory Authority Act 2011 ('the Act'), I hereby grant an extension for the commencement of the regulatory review of the electronic communications sector as prescribed under sections 5(6) and 10 of the Act.

The date on which this review shall commence will be August 1st, 2022, in light of the other matters and obligations that will be ongoing through the first semester of calendar year 2022, which should afford the Authority ample time to prepare for this undertaking.

Sincerely,

Hon. Walter H. Roban, JP, MP.
