Transitional Spectrum Investigation

Dear ICOL Holders,

**Re: Spectrum Efficiency and Usage Self-Assessments Confidential Draft
SEUSA Analysis one week extension request**

As you are aware, on April 14, 2014 the Regulatory Authority (RA) published its Spectrum Efficiency and Usage Self-Assessments (SEUSA) Confidential Draft SEUSA Analysis Matter: SC-1222/2013. This notice had a response due date of May 2, 2014.

The RA would like to inform all parties that a request has been made to the RA for a time extension of one additional week after the due date of May 2, 2014. Given this request, the RA has agreed and hereby grants an extension to **May 9, 2014** for the Confidential Draft SEUSA Analysis responses.

If there is further clarification required, please contact Michael Wells or Philip Micallef.

Yours Sincerely,

Michael Wells
Chief Technical Officer
